

## Product Sales for Music Fest 2015

In 2015, with the help and guidance of Joanne Jack, we handled Product Sales for the Music Festival. Items were sold before and during intermission at most concerts. We also sold at the Red Barn talks and at "Art in the Park". Next year, I want to sell at "Under the Big Top". Music Festival items were available on Consignment at the Art and Nature Center, Anna's Shop and Fair Isle.
